Research Topics: The proposed research must directly pertain to EPA's environmental mission and must be responsive to EPA program interests included in the topic descriptions of this solicitation. The research should be the basis for technological innovation resulting in new commercial products, processes, or services which benefit the public and promote the growth of the small business. This year's SBIR Solicitation includes 9 topics:

1. Innovation in Manufacturing,
2. Nanotechnology,
3. Green Buildings,
4. Drinking Water and Water Monitoring,
5. Water Infrastructure Rehabilitation,
6. Monitoring and Control of Air Pollution,
7. Biofuels and Vehicle Emissions Reduction,
8. Waste Management and Monitoring and
9. Homeland Security.

Small businesses located anywhere in the USA may submit a proposal for any topic in this solicitation and the proposal may address an environmental topic affecting any geographic area of the US. This solicitation is available from March 20, 2008 until May 21, 2008 on the EPA SBIR website ([www.epa.gov/ncer/sbir](http://www.epa.gov/ncer/sbir)).
